SPECIAL INSTRUCTIONS TO CANDIDATES REGARDING ONLINE EXAMINATION

1. After identification, candidates will be provided with an Access Card, only with which candidates can enter into the Online Examination Hall.

2. The Access Card will bear the Seat No., Reg.No. Username and Password allotted to the candidate. Since it is a confidential record for the particular examination, the candidates should keep it safely and produce it at the entrance of the Online Examination Hall. NO CANDIDATE WILL BE PERMITTED TO ENTER THE ONLINE EXAMINATION HALL WITHOUT ACCESS CARD.

3. Candidates should occupy their seats noted in the Access Card 30 minutes before the start of examination.

4. Candidates can log in to the computer using the Username and password provided in the Access Card. On clicking the text box for username and password, a virtual key board will be displayed. The candidates should enter the username and password from the virtual key board by using the mouse.

5. The answers of questions for online examination should be entered in the computer by mouse click.

6. After successful log in, the instructions for online examination will be displayed on the monitor.
7. There will be a familiarization session 15 minutes prior to the examination. At the specified time, candidates will be automatically directed to the familiarization module automatically. The candidates can attend a demo test in this module by clicking the answer options for each question.

8. At the specified time of examination, the demo test screen will disappear and the candidate will be automatically directed to the actual examination module where the candidate can attend the examination. A time will also be displayed in the examination module at the top right corner. The timer will display the remaining time of examination.

9. There will be 100 questions for each examination. One question only will be displayed at a time.

10. Each question carries four options. Candidates can mark their answer by clicking the option button. After clicking the option button, on the clicking the next button, the marked answer will be stored and next question will be displayed. By this means candidates can answer the questions.

11. There will be a strip of 100 boxes, which represent 100 questions, at the bottom of the screen. On answering a question, the corresponding box in the strip will become blue in colour, which will help the candidate to identify the answered and unanswered questions easily. By clicking a box, the corresponding question will be displayed and the candidate can record the answer or can change the answer by un-ticking the option box already ticked.

12. By clicking mark for review button, candidate can mark doubtful question for later review. The corresponding box of answered questions which are marked for review will become in orange colour and unanswered questions marked for review will become in yellow colour.

13. When the timer on the top right corner hits zero, the options marked by the candidate until then will be saved in the server automatically and the exam statistics page will be displayed and the candidates will be logged out automatically. Thereafter the candidate cannot mark or change any answer.

14. The exam statistics page will display the total number of questions, number of questions answered by the candidate and the number of questions unanswered by the candidate.

15. In case of any system failure or the candidate needs any assistance during the examination, the candidate should raise his hand to draw the attention of the invigilator. CANDIDATE SHOULD NOT COMMUNICATE WITH ANY OTHER CANDIDATE FOR CLEARING ANY DOUBT.

16. The candidate must attend at least one question, otherwise the candidature will be invalidated.

17. Each correct answer will fetch 1 mark and each wrong answer will lose 1/3 mark.
